

ABOUT US

Welcome to the Nicholls State Veterans Organization, a community dedicated to supporting and empowering Military-Connected Students and veterans as they navigate the journey of higher education.

Founded on principles of camaraderie, service, and growth, we strive to create an inclusive and diverse environment where students can connect, learn, and thrive.

If the college
experience seems
overwhelming, just
know you don't
have to do it alone.

OUR VISION

Nicholls State Veterans Services provides military-connected students with the resources, support, and advocacy needed to succeed within higher education and beyond.

OUR MISSION

Nicholls State Veterans Services provides military-connected students with the resources, support, and advocacy needed to succeed within higher education and beyond. The department encourages this student population to assist their peers with transitioning from military to college life with department-lead mentoring initiatives, interest measures, rapport, and participation in on-campus and community activities. Nicholls State Veterans Services our mission gives our warriors academic purpose.

WHY JOIN?

Nicholls State University understands that veterans routinely encounter extraordinary obstacles in their college careers. We provide resources to combat this.
